10/31/14 Thank you -- to the many that attended Monte Carlo Night, helped in many ways before and after the event, supported the event through donations and everything else in between. This event would not have been successful without your support and help. So again, THANK YOU! I would like to especially thank my team that helped me in many ways: Jim Kildea, Marti Stapron-Barlow, Nancy Pittman, Jill Chambers, Karen Sieperda, Don and Sandy Cruise. I could have not done this event without their dedicated and awesome help.

I am pleased to report that we brought in $9,608 after expenses that will be distributed to Philomath Athletic Teams and Booster Club. Thank you coaches for putting in the effort to contribute auction baskets and sell tickets - your efforts paid off!

Also, I have listed the businesses that sponsored and donated to help fund this event; without their donations this event would not have been the success it turn out to be. Please take notice of these businesses and thank them by giving your business back to them as they support our kids and Philomath Schools.

Thank you again and hope to see you all back at the event next year with a friend or two!
